Leaf Pickup Starting

North Little Rock has started one of its most popular services this past month – *The Leaf Vacuum is coming! The Leaf Vacuum is coming!*

This is not the old leaf vacuum program. This is the new and improved leaf vacuum program with changes, updates, and new requirements for you who want your leaves vacuumed.

What's the Same – We will be vacuuming leaves raked to the curb. Big truck, vacuum unit, guys with rakes moving down the street picking up properly positioned leaves so you do not have to bag your leaves.

What's New – The City has been divided into six different zones. Typically it takes six weeks to make a sweep of the entire city. Each zone is expected to take about a week to cover. Go to the city website and you can find a map showing you which zone you live in and when we predict we will be vacuuming your zone. We are also making a concerted effort to hire veterans to work on the crews.

The Requirements – You are required to rake your leaves within six feet of the curb but NOT into the street or gutter. The leaf piles should be on your grass NOT on our streets or over the curbs. Do not cover sidewalks, sprinkler heads, fire hydrants, or rake next to light or sign poles.

Starting January 1, 2015 New Outdoor Storage Regulations Take Effect

Starting January 1 you can no longer have indoor furniture on your porch, carport, or in your front yard. The only appliance allowed in the front is a freezer or refrigerator if it is plugged in and running on your carport or porch.

Nothing manufactured for indoor use is allowed on carports or porches or in the yard. Items may be stored on your carport if they are in tubs or boxes made for outdoor use (no cardboard boxes) and are stored one layer deep on a permanent wall taking up less than half of the wall space. No blue tarps are allowed. If you have any question contact North Little Rock Code Enforcement at (501) 791-8581.
