From: Mike Smith, Chief City Engineer

Re: Retirement

Mayor:

I have decided to set my retirement date for Friday June 19, 2015.

I've dearly enjoyed my employment with the City of North Little Rock and working for you (and of course Mayor Hays). I hope the City has benefited even a portion of what I have benefited as an employee. It has been more than I could have imagined. In the past 26 years I have met and worked with a lot of good people and there is barely a block of the City I have not touched

Thanks

PS: I would like for my family health insurance to carry through the month of June. Thanks.
