Subject: Sister city program!

Dear Mayor Smith and City Council members,

To start off I want to thank you and the citizens of North Little Rock for making this program happen. This is the fourth year my family and I have done this program. We have loved every second of it. I have made so many new friendships over the past few years and especially this summer. I am so thankful to have gotten to have so many new experiences. The memories made will last a lifetime. This summer I hosted A-young. We had the best time and created the greatest bond. We learned so much about our differences in our cultures, and for that reason, I hope that I get the chance to visit Korea next year. I once again want to thank you and this program for all the memories, tears, and laughs that I was able to make with new best friends and the sweetest souls.

Sincerely,

Sarah Custer
