September 15, 2016

The Honorable Joe A. Smith, Mayor of North Little Rock
Honorable Members of the North Little Rock City Council
City Hall
North Little Rock, AR 72114

Dear Mr. Smith and City Council Members:

The City of North Little Rock has been selling its surplus property now on GovDeals since August, 2014. Since August, 2014 to August 31, 2016, we have sold many items ranging from vehicles to inoperable generators, boats, park equipment, golf equipment, office furniture, computers, radios, leaf machines, motorcycles, amusement rides, tractors, etc. Some of these items have not been in use for several years, but we were able to sell them on GovDeals. During the two year period we sold \$290,690.03 worth of items.

Our buyers have come from the states of Oklahoma, Missouri, Georgia, Iowa, Wisconsin, Florida, South Carolina, Indiana, Kentucky, Ohio, New York, New Jersey, Nebraska, North Carolina, Texas, Alabama, Mississippi, Tennessee, Maine, Louisiana, Kansas, and numerous cities in Arkansas as well as the country of Belize and the Territory of Puerto Rico.

We continue to decrease our surplus equipment and are cleaning out buildings of unused old items. It is always amazing at what people will buy, but having a much broader bidding base helps tremendously in getting better prices for the items we are selling as well as finding someone interested in what we are selling.

Sincerely,

Mary Beth Bowman
Director of Commerce
