All Driveway Permits must be reviewed by City Engineer for approval.

Contact Traffic Services (501-340-5352, 1112 Sycamore) prior to driveway construction for approval of your barricade plan.

Company signage must be clearly displayed from work beginning until final restoration completion as per City Ordinance.

If work is being done by a contractor or company for the Owner of the project, at least one person **must** be listed as contact available by phone at all times.

A copy of the Approved Permit and the Approved Barricade Plan are required to be on the job site and available for inspection upon request. Absence of these documents will be considered a violation of this permit.

This permit is valid for **30 days** after which a new permit is required.
